

PCB SIZE	118*100*1.5mm
LAYER	2 layers
THROUGH HOLE	Metalization
VERSION	C2Y-DXLCD-4G
Pictures	 <p>The image displays a detailed PCB layout for a 2-layer board. The main layout is shown with dimensions: a total width of 118.00mm and a total height of 100.00mm. A central component area is 111.00mm wide and 86.45mm high. A smaller inset view on the right shows the board with a green component highlighted. The layout includes various components, traces, and pads, with labels such as 'C3A', '3032P 08 08', and '3032P 08 08'.</p>
